CLOVER TRIUMPH GAS WATER HEATER

Look for GREEN CLOVER LEAF on door

CLOVER TRIUMPH HAS PERFECT COMBUSTION

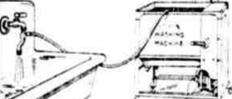

It is Economical—it is Odorless—it is Safe. A heater which is not odorless in operation is not Safe, it is not Economical. Cheap heaters are rarely odorless, and that means gas is being wasted.

Make sure the heater you buy has perfect combustion. It insures lowest possible gas consumption.

85,000 CLOVER TRIUMPHS installed in Philadelphia alone.

REED'S LEAD CUT IN MISSOURI RACE

Senator Opposed by Wilson
 Now Only 15,000 Ahead of Breckenridge Long

K. K. K. CANDIDATE LOSES

By Associated Press
 St. Louis, Aug. 2.—Senator James A. Reed's lead over Breckenridge Long in the race for the Democratic nomination for United States Senator receded at noon today to 15,000 as additional country precincts, favorable to the former Assistant Secretary of State, reported from yesterday's primary election.

Returns from 2990 out of 3848 precincts in the State gave Reed 150,730 and Long 144,632. This was a loss of nearly 20,000 in Reed's lead as shown at his highest point.

In the Republican senatorial race William Sacks, advocate of light wines and beer, led R. R. Brewster, "Old Guard" candidate, by 2770, on returns from 2007 out of 2848 precincts. Virtually all of St. Louis' Sacks stronghold, had reported, while more than 1700 county precincts where Brewster was strong were still out.

The Reed-Long race overshadowed all other issues in the primary campaign. The Senator, grizzled veteran of many campaigns, was bitterly assailed by followers of Woodrow Wilson, by those who objected to his war stand, by friends of the League of Nations, prohibition, suffrage, and Federal maternity bills; by women's organizations and by those Democrats of Missouri who assisted in reading him out of the party in 1920, when the action of his home district in electing him a delegate to the National Convention at San Francisco was twice overruled.

Ex-President Wilson took a hand and in letters to friends in Missouri condemned Reed as a "marplot." His opponents formed "Kid-Pas-of-Reed" Clubs and attacked his record for party regularity.

Reed supporters, no less vigorous, organized "Win-With-Reed" Clubs and the Senator himself assailed his foes and defended his policies.

ANTI-KU KLUX KLAN LEADS IN OKLAHOMA

Oklahoma City, Okla., Aug. 2.—(By A. P.)—Mayor J. C. Walton, of Oklahoma City, anti-Ku Klux Klan candidate and supported by the farmer-labor element of Oklahoma, was leading his nearest opponent for the Democratic nomination for Governor by almost 8000 votes early today, with unofficial returns from yesterday's State-wide primary about one-third complete.

R. H. Wilson, superintendent of the State Board of Education, reported to have had the endorsement of the Ku Klux Klan was running second to Walton, and Thomas H. Owen, former Supreme Court Justice, lagged third, nearly 8000 votes behind Wilson.

Complete unofficial returns from 958 counties out of 2337 in the State gave: Walton, 23,089; Wilson, 31,109; Owen, 23,470.

Walton's campaign on pledges to put the State Government in the hands of the farmer and labor where it belongs. He had the endorsement of the Farmer-Labor Reconstruction League with the slogan calling for State aid to farmers, State ownership of public utilities and the Plumb plan of Government administration of the railroads.

It is said he told a Ku Klux Klan delegation during the campaign that he intended to "run the Klansmen into the Arkansas River" if he became Governor.

SUTHERLAND LEADS IN WEST VIRGINIA

Charleston, W. Va., Aug. 2.—A re-ignition of the vote in yesterday's State-wide primary early this afternoon showed Howard Sutherland, Republican, leading the nearest competitor, H. C. Gartin, the Wheeling publisher, for the Republican nomination for United States Senator by 7007 votes on the face of returns from 118 out of 2003 precincts of the State. In the Democratic race, M. M. Neely held a lead of 9648 votes over Mrs. Brown, of Kingswood.

The vote, 1108 precincts. United States Senator—Republican—Edwards, 6841; Jones, 1007; Lilly, 15,402; Gartin, 31,651; Sutherland, 38,708; 1108 precincts—United States Senator, Democrat—Brown, 22,807; Neely, 32,220.

CAMPBELL BEATEN IN KANSAS FIGHT

Pittsburgh, Kansas, Aug. 2.—(By A. P.)—Congressman Phillip Campbell, Republican, chairman of the Rules Committee of the House of Representatives and in Congress from the Third Kansas district for twenty years, was defeated in yesterday's primary, according to available returns today.

W. H. Stroud, of Norton, has been nominated by at least 2000 votes. C. N. Price, manager for many years of the Campbell campaign, conceded today.

W. Y. Morgan, Hutchinson newspaperman and former Lieutenant Governor, led the cluster of his six opponents for the Republican gubernatorial nomination. W. R. Struble, former Governor, by 1745 votes when returns from 47 of 105 counties had been tabulated early today. Fred W. Knapp, industrialist and labor union ally, Miss W. J. Mooney and Miss Helen Pettigrew, the latter running on a low and high school platform, pulled fewer votes than had been expected.

Returns from 10 Democratic gubernatorial contests were meager. They indicated a close three-cornered contest. The few figures available gave Jonathan Davis, 12112; Henderson Martin, former Vice Governor of the Philippines, 1196; Leigh Hunt, 6697.

This Great Furniture Sale a Clarion Call to Great Values

¶ A summons of opportunity to thousands, and a broadcast invitation to post yourself on the kind of Furniture and the savings that are making the Van Sciver Sale the talk of the August season.

¶ Wonderful as are the savings on Furniture, due to the changed conditions that have brought prices down to the lowest in half a dozen years, they are greater here, because of the low overhead that has made this Factory-Furniture Store an example of economy the country over.

¶ The home of medium-priced Furniture, as well as the Mecca for those who seek the sumptuous and the elegant. Our own make, and the pick of the best that other manufacturers turn out. We do not believe there is an exhibit anywhere as immense or as wonderful. Nothing as impressive or as complete. Nothing like it in variety or quality. With huge storage houses filled to the roofs, constantly replenishing the supply of Suites and Pieces being sold from our spacious salesfloors. Small wonder that the hundreds now buying here tell us they are satisfied, after making comparisons elsewhere, that Van Sciver savings stand without equal amid all the Summer offerings.

¶ We are glad to rest our case upon these decisions—the kind that has kept this Store marching on to a success beyond all expectations.

A handsome American Walnut Dining-room Suite, distinctive for the design throughout. It requires no stretch of the imagination to picture the charming effect of this Suite in many of the modern constructed Dining Rooms. Note the richly embellished fronts on Buffet and China Closet, and the fine tapestry-covered chair seats and chair backs. One of the many great values that adorn our salesfloors. Ten pieces, \$312.50.

SOME OF MANY RARE VALUES

Just a few of the thousands of Suites and Pieces which, for quality and value, surpass anything you are likely to find in a week's search. Reductions that are in addition to the incomparably low prices that prevail here the year round. No matter what the occasion, Furniture is never marked up here to be marked down.
